LEVEL 1

Confident Foundations

Develop Rockstar Confidence

Learn how to run super engaging and fun music sessions anytime and anywhere that all your children will enjoy.

Unleash your Inner Creative Tap

No more puzzling over music lesson plans for kids because you will be coming up with fresh ideas every day.

Rockstar Status

Learn how to use your presence to grab everyone's attention so that your kids will stay focused, interacting and engaged till the very last song.

What attendees are saying

Gimhani - ENGAGING

It's fantastic course. It was fun and highly engaging I will definitely recommend it to all of my colleagues

Gillian - CONFIDENCE

I have learned how important music is to brain development and many other areas of development for children, and this gives me confidence going forward.

Rani - NEW SKILLS

It was fun, educational, and really interesting. I loved connecting with like-minded individuals and learning some new skills.
